Hey Gowthaman,

MP Dancho's motion will be up for debate at SECU tomorrow, inviting the Minister to appear before the Committee next week to testify on the blockades. I spoke with the department and they aren't comfortable sending departmental witnesses without the Minister.

Pam, has an amendment waiting to go to this motion which has NDP + BQ support to provide only a little extra flexibility on the Minister's appearance to either Tuesday, February 22nd or Thursday, February 24th. Can the Minister come to Committee on either dates for an hour. I believe we have to meet in our allotted time regardless if we meet on a sitting week or break week so it would be 11am-1pm.

Let me know

Best,
Conor
